# Global Health Watch 3

## An Alternative World Health Report

Venue: **Rio Othon Palace Hotel**  
**Itaipu B**  
**Avenida Atlantica 3264, Copacabana**

Time: **9.00 am to 12.00 noon**

The Global Health Watch is designed to **seek answers** to why so little progress is being made in promoting health across the world and also to **articulate solutions**. It proposes an **alternate vision of health located in a vision of equity, rights and empowerment**. It is a collaborative civil society initiative, co-ordinated by the **Peoples Health Movement, Medact, Medicos International, Health Action International and Third World Network**. The Global Health Watch is contributed to by researchers, academics and activists from across the globe. **The third edition of the GHW, being published by ZED Books, will be available in October, 2011. The Global Launch shall take place in Rio de Janeiro, Brazil, in the third week of October, 2011.**

GHW 3:

- ✚ Analyses the global political and economic architecture,
- ✚ Takes a view of current issues and debates on health systems.
- ✚ Discusses issues beyond Health Care – the different determinants of health
- ✚ Watches global processes and institutions that are crucially important for health and health care
- ✚ Makes proposals for alternatives and relates stories of success and resistance
